Be part of history in the remaking at Elmlawn

The stained-glass window renovation at Elmlawn's historic Little Chapel of the Elms continues as expert craftsmen refurbish and preserve the incredible workmanship of the glass and surrounding wood frames. Installation was completed in September and interior painting in the chapel is underway.

For more than a century, the chapel windows have provided visitors with comforting light for quiet reflection. Our renovation brightens the space and ensures this tradition continues. More than \$10,000 has been raised so far but there is more work to be done. We invite you to join us in remaking history.

You can help in the preservation of a local community treasure. You will find a convenient form on the back page to donate to the Elmlawn stained-glass window campaign. Stay tuned for updates as this important project moves forward.

Message from the President

Michael Austin, President,
Elmlawn Memorial Park

As another year comes to a close at Elmlawn, we look back on what we have accomplished and start planning for 2026.

The enhancements you read about in this newsletter were made possible with the guidance and support of the Elmlawn Memorial Park Foundation. Our Foundation works to secure grants and other funding for the continued beautification and maintenance of the park. The stained-glass window renovation and new pathway at the Sunrise Mausoleum are just a couple of examples from this past year.

A donation to the Elmlawn Memorial Park Foundation today will help assure this beautiful community asset is here for generations to come.

Donations are tax deductible according to IRS guidelines and by contributing now, your gift can count for this tax year. Any and all contributions are appreciated and you can use the form in this newsletter to make your donation. If you have any questions, please call us at 716-876-8131 and our staff can assist you. And visit elmlawncemetery.com for more information.

On behalf of the members of our Foundation and everyone at Elmlawn Memorial Park, we thank you for your consideration.

Trimming the tree with remembrances.

Elmlawn is pleased to offer community members an opportunity to remember loved ones in a special way during the holiday season.

Stop by the Elmlawn office and pick up a free ornament. You can write a special message on the back in honor of a loved one who has passed and place it on the Christmas tree, now up in the Sunrise Mausoleum.

There's no cost for the ornament but you can feel free to make a donation to Elmlawn in memory of a loved one. Stop by today while supplies last.

New pathway connects gazebo for outdoor services

A new paved pathway has been installed to connect the gazebo behind the Sunrise Mausoleum with a walkway to the mausoleum. The pathway will enable outdoor services to be held at the gazebo among the peace and tranquility of Elmlawn's surroundings.

Elmlawn offers several options for mausoleum above ground burials to meet preferences of family members including interior spaces and niches.
