SILK FLORAL BOUQUET (ANY STYLE)

\$38.00

These beautiful bouquets are tagged for identification and placed on your lot at no additional charge. All orders received **BY April 27th** will be placed by Memorial Day. Any orders received *AFTER April 27th* will have attention for placement as soon as possible. The bouquets may remain until October 15th. Our stock is limited. We do not reorder. Please send your order early to avoid disappointment. Available again this year is our 24" high vase holder, constructed of black powder-coated steel. If you don't already have a permanent invertible vase on your lot, we highly recommend this holder. It raises your silk bouquet off the ground for greater visibility.

Permanent invertible vases installed on granite base are available for sale at the office. Please call or stop in for information.
